

Beschaffung von Polstern und Polsteraufarbeitungen

Released as an exclusion criterion, last published in the Official Journal of the EU under 2023/S 155-49511 on August 14, 2023

Notes:

The application for requalification is only possible during the prequalification period and must be submitted no later than 3 months before the expiry of the prequalification.

If applications for requalification are not submitted, the prequalification ends on the expiry date of the prequalification certificate.

If the documents to be submitted regularly are not submitted within 30 days of the request, the prequalification is suspended until the documents have been submitted and checked. If the documents are not submitted after repeated requests no later than 180 days after the first request, the prequalification expires.
